

## **Communities Funding application example questions**

**As of March 2025 - subject to change**

Please note. This is not the funding application form. To apply, you will need to complete the online application form, linked from the [Predator Free Communities Funding](#) page when the next funding round opens. This list of questions is to help you prepare and collaborate with your group before applying online.

### **Make sure your plan ticks these boxes:**

Focuses on rat and/or possum trapping

Focuses on trapping in backyards

Doesn't include trapping on lifestyle blocks, farms, council or government land

### **Your name, email and phone number:**

### **Are you applying for funding for a new or existing community group?**

New community group

Existing community group

Other

### **Name of your project/community group?**

### **Location of your project or community group.**

**Briefly tell us about the predator free aspirations for your community and what your group is ultimately trying to achieve.**

### **Briefly explain how you are going to achieve your goals.**

*Include your plans for engaging your community and getting people trapping effectively in their backyards. If you have a project plan, you can also upload it below.*

### **Who will be involved and what role will they have in the project?**

**How many households, schools, marae or community spaces (eg. community halls) will your project target?**

### **Briefly describe how you will measure success.**

*Measures could include the number of households trapping, sightings of species you are trying to protect, or predator catch numbers.*

**Please list any other predator control groups active in your community.**

*Ensure you aren't duplicating effort. It may be better to join forces with an existing group.*

**Upload a supporting document (optional)**
